FOR IMMEDIATE RELEASE...
Emanuel Students Enjoy New Playground

A new playground greeted the students of Emanuel Lutheran School in Patchogue when they arrived for the first day of school, thanks to the generous fundraising efforts of the school's PFTL (Parent, Teacher, Friends League), and support from the local community.

Many months of bake sales, car washes and fundraisers made it possible to install the new equipment while the students were on summer break.

The new installation is geared toward the school's youngest preschool and kindergarten students.

A ribbon cutting and dedication ceremony was held during the "Back to School Bagel Breakfast," and classes began enjoying the new playground piece right away.

Emanuel Lutheran School, located at 179 East Main Street in Patchogue, has served students in preschool through eighth grade for 55 years.

For more information, contact Emanuel Lutheran at (631) 758-2250.
